LEADING THE WAY TO A HEALTHY DELAWARE

# CALL TO ACTION!

## Your Immediate Help is Needed!

In our ongoing efforts to constructively address challenges with Maintenance of Certification (MOC), MSD is responding to the ABMS Vision Commission's most recent report with a prepared online, petition-like comment you can quickly digitally sign, and which we will submit to the Commission.

We strongly encourage all our physicians to immediately review and sign the prepared comment. The petition closes at end of day on THIS Sunday, January 13th.

Your voice can make a difference!
