Annual Meeting & Educational Sessions  
MSD Conference Center, Newark

"Technology: Pioneering the Future of Medicine" is the theme of this year's educational program at the 229th Annual Meeting of the Medical Society of Delaware. Please join us on **Saturday, November 17** at the MSD Conference Center, 900 Prides Crossing, Newark to learn more about biodegradable sensors, 3D medical printing, and Blockchain technology and how the latest technology is reinventing medicine.

Lab Corp will be available to perform health screenings for members and their spouses beginning at 7:00 a.m. Pre-registration is required and fasting is recommended. Please see online registration for details. Lab Corp will offer the following tests to choose from: Super Panel, PSA, Thyroid Stimulating Hormone, Prothrombin Time, Nuclear Magnetic Resonance LipoProfile, and Vitamin D 250 Hydroxy.

Following the educational activities, the annual Meeting of Council will begin at 11:15 a.m. All MSD members are welcome to attend and witness the business of the Society. [Read full brochure.](#)
