

Medical Society of Delaware 229th Annual Meeting Saturday Morning, November 17, 2018 Medical Society of Delaware Building and Conference Center 900 Prides Crossing, Newark, Delaware 19713

The Medical Society of Delaware is pleased to announce the 2018 **Annual Meeting** will be held at the Medical Society of Delaware on Saturday, November 17, 2018, from 7:00 a.m. to 12:30 p.m. This year's educational program will focus on Innovative Technology in the medical field and will prove to be another exceptional education program.

Our **Inaugural Gala** event will be held in the evening of Saturday, November 17, 2018. Depending on the level of sponsorship you choose to support for the Gala, you could take part in networking with our physicians, speaking with VIP guests from our Congressional Delegation, and meeting the leadership of neighboring state medical societies and the American Medical Association.

Our annual events would not be possible without the generous support of our sponsors. We hope you will consider joining us this year to continue to bring high quality education to the physicians and other health care professionals in Delaware and/or meeting new connections by supporting our Inaugural Gala.
