“I can now communicate with institutional administrators in terms they will understand as I advocate for my patients. A must for any physician that doesn’t already have their MBA!”

- Harry A Lehman, III, MD

“The program not only increases my awareness of the business of medicine, it has given me a better ability to question, position, and advance in the private health care arena.”

- Vincent Killeen, MD

It takes but one person, one moment, one conviction, to start a ripple of change. – Donna Brazile
